We are pleased to inform you that since 2005, we have been conducting the Post Graduate Programme of M.Com.(E-Commerce), introduced by the University of Mumbai at B. K. Birla College (Autonomous), Kalyan. This course is a blend of subjects like I.T., Management, Accountancy, and Marketing. The main objective of the course is to meet the growing corporate demand for I.T.-based professionals in Finance and Management and to encourage entrepreneurship.

As a part of the curriculum, the students of M. Com. (E-Commerce) must undergo training in companies/institutions having applications of E-Commerce and I.T. With gratitude, we note that you have permitted our students to do summer training in the past five years.

Attached, please find the list of the students of M.Com. (E-Commerce) who would like to undergo training at your esteemed organization for 39 students.

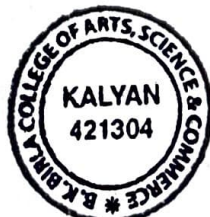

Hope you will kindly accept our request favorably. Please confirm.

Thanking you,

With warm regards,

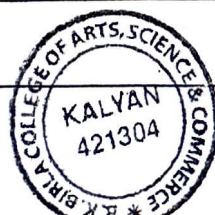

Yours faithfully
